hello people who clicked on this, I' m remaking my StrawPage.

Created in PixelPixum for thirse lovely dividers

dni ☆

- other dr. wasabi cookie selfshippers

- other escargot cookie selfshippers

- other black barley selfshippers

- if you ship raspberry cookie x any men (fuck you!!!)

- darkdragondeception defenders

socials

- if your under 13

- dreamweaver cookie haters

- toxic blackbell shippers

- pikeik pack fandom (my ex-friend ruined it for me)

- non-healing darkshippers and proshippers

- homophobic straight shippers

- lesbianphobic mlm shippers

- terfs

My Kins ☆

My Comfort Characters!

note.txt
I hate object shows and BFDI, don't ask me about any of the fandom and the media please. I left this fandom after what I have done.

Your (friends)/(enemys)/art will be uploaded to Pinterest with my responses to what you have sent to me!

don't be shy, ask me.
